

## **ENVIRONMENTAL NOISE AND HEALTH IN THE UK - 2009**

### **INVITATION TO COMMENT**

1. On behalf of an Ad Hoc Expert Group on the Effects of Environmental Noise on Health, the HPA is publishing a report on Environmental Noise and Health in the UK.
2. The report is being published for comment. Readers are invited to comment on:
  - a. The scope of the report.
  - b. The analysis provided regarding the possible effects of environmental noise on health.
  - c. Topics that might be considered in future reports.
  - d. Any error detected in this draft report.
3. Those wishing to comment are invited to write to :

Mrs Isabella Myers  
Chemical Hazards & Poisons Division  
Health Protection Agency  
Chilton  
Didcot  
Oxon
